	6. Assembly elections are usually held every year in a few states of the country. You
	can collect information about the elections that take place during this session. While
	collecting news items, divide these into three parts:
	a) Important events that took place before the election - main agenda discussed by
	political parties; information about people's demand; role of the Election
	Commission.
	b) Important events on the day of the election and counting – turnout in elections;
	reports of malpractice; re-polls; the types of predictions made; and the final outcome.
	c) Post elections – reasons offered by political parties for winning or losing elections;
	analysis of the election verdict by the media; selection of the Chief Minister.
